THE PROBLEM

“Reporting a civic problem shouldn't be complicated.”

Complicated complaint forms

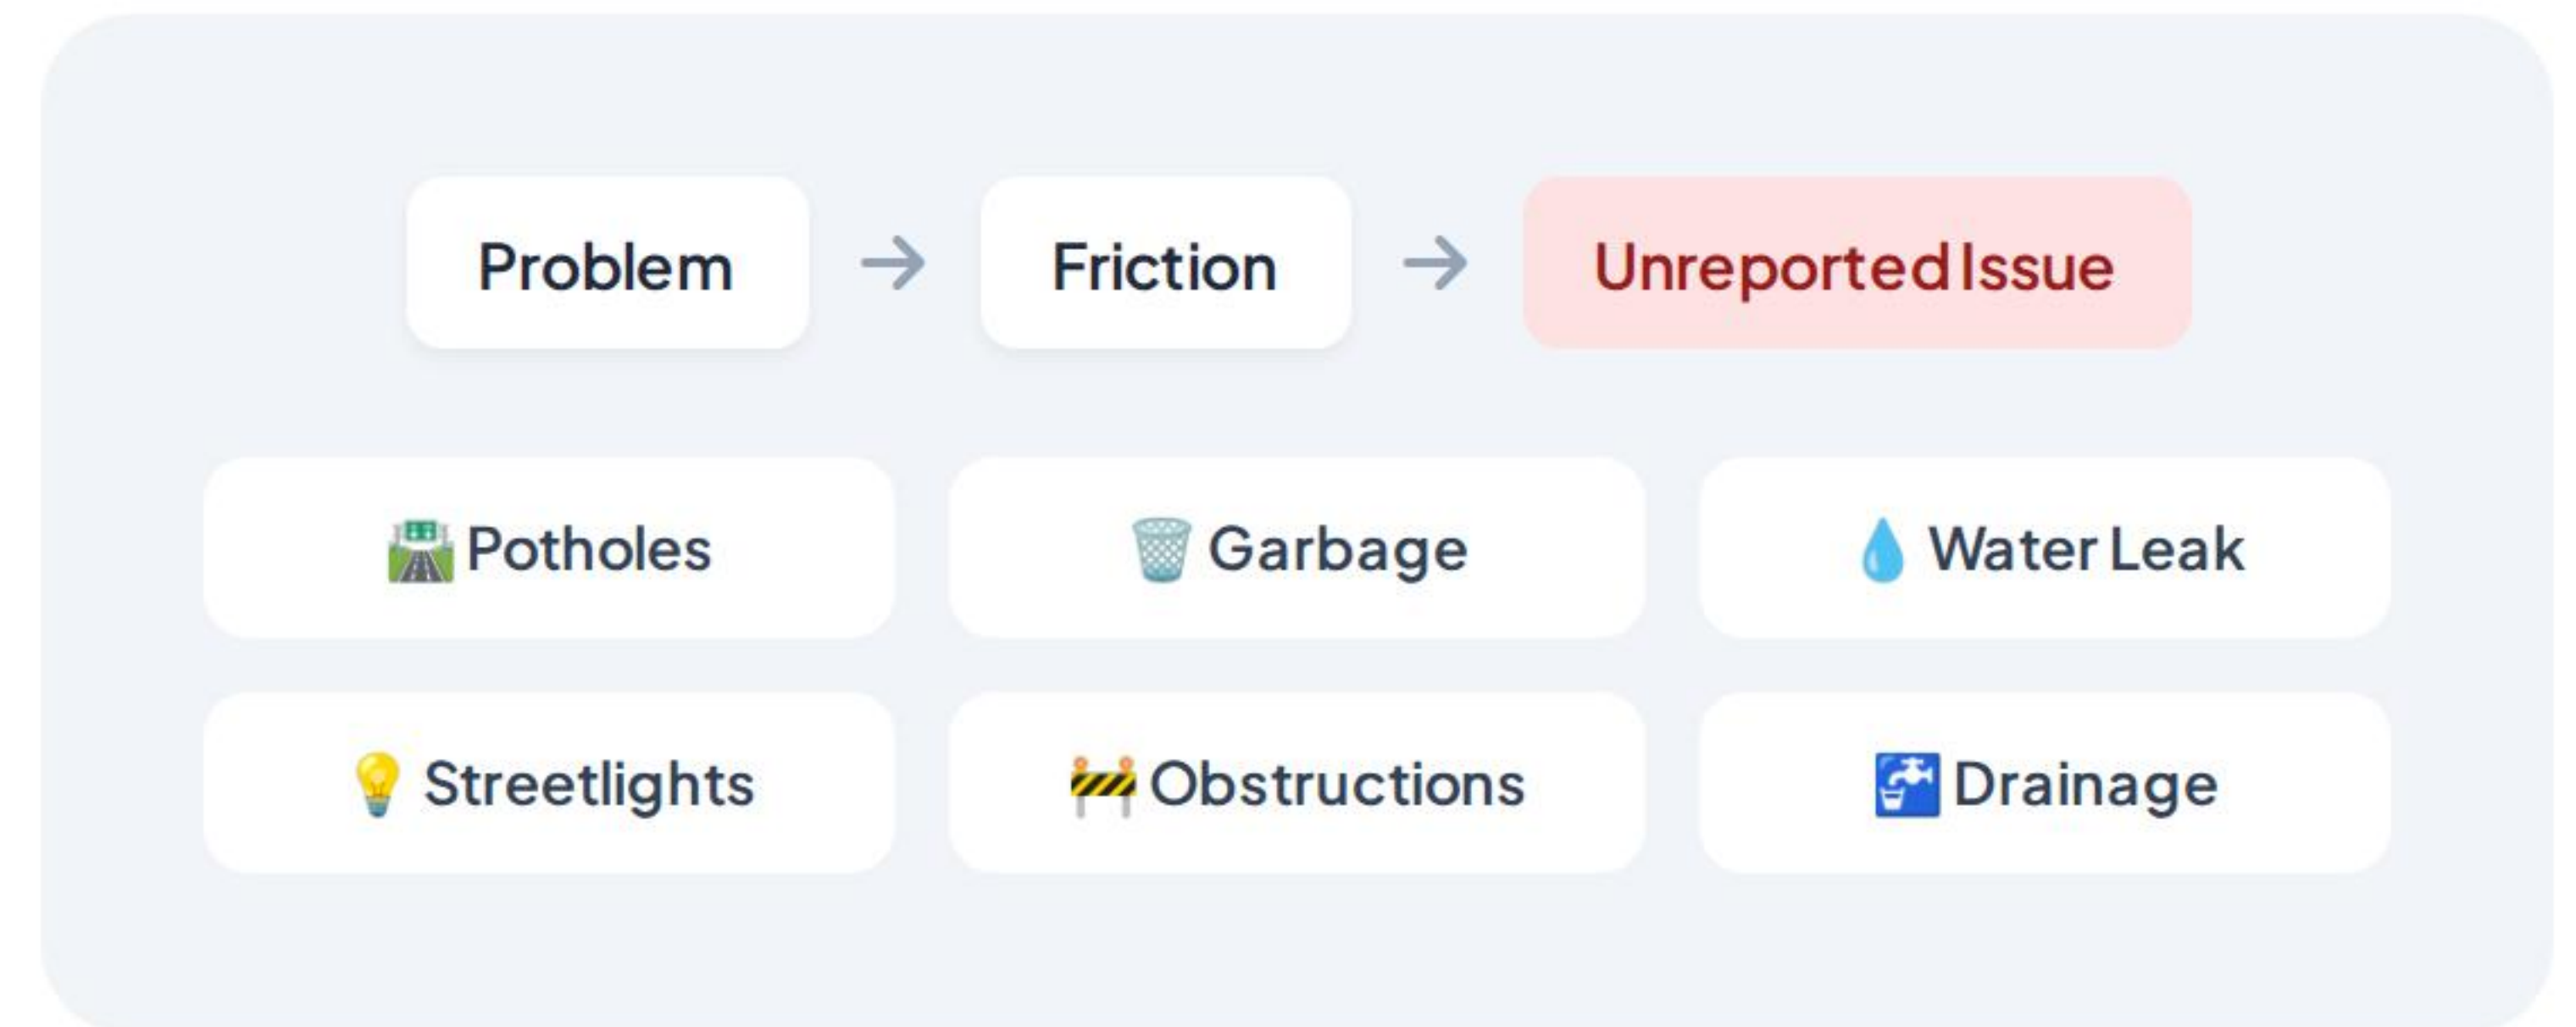

Too many unnecessary fields and bureaucratic steps.

Too much typing & language barriers

Excludes citizens who prefer native languages or voice input.

Accessibility gaps

Conventional interfaces are difficult for everyone to navigate.

OUR SOLUTION

“Meet Fix Mama 🧐”

Fast, Simple & Accessible

1

Photo-First Reporting

Snap a picture of the issue instantly.

2

Trilingual & Voice Support

Available in Telugu, English & Hindi with Text-to-Speech.

3

Location & Context Guidance

Auto-detects GPS and categorizes nearby public spots.

Guided Complaint Workflow

Photo → Select Problem → Add Context → Location → Review →
Send. Built for every citizen.
